Fifty-third session
Second Committee

Organization of work of the Second Committee

Note by the Secretariat

Allocation of items

1. The agenda items to be allocated by the General Assembly to the Second Committee will be listed in the letter from the President of the Assembly to the Chairman of the Second Committee (A/C.2/53/1). Background information on those items may be found in the annotations to the agenda (A/53/100 and Add.1).

Programme of work

2. The draft programme of work (see annex) has been prepared bearing in mind paragraph (b) of rule 99 of the rules of procedure of the General Assembly, the organizational arrangements agreed upon by the Assembly at the outset of its current session (A/53/250) and the availability of documentation. The number of meetings suggested for the general discussion of the agenda items allocated to the Second Committee is based on past experience.

List of documents

3. Attention is drawn to the list of documents submitted under the various agenda items allocated to the Second Committee (A/C.2/53/L.1/Add.1). The draft programme of work should be read in conjunction with the list of documents in order to obtain a full picture of the scope of the Committee's work programme.

Length of statements

4. The Second Committee, in the past, decided to limit statements on all agenda items, with the exception of the general debate, to 7 minutes and to limit statements during the general debate to 15 minutes.

98-26158 (E) 110998

Conference facilities and meetings arrangements

5. Taking into account the availability of conference services for the Main Committees of the General Assembly, an average of eight formal meetings a week have been scheduled for the Second Committee. Unless otherwise specified, meetings will be held at 10 a.m. and 3 p.m. In this connection, the Assembly decided to remind delegations that punctuality is of the utmost importance in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations. As decided by the Assembly, the requirement of the presence of at least one quarter of the members of the Committee to declare a meeting open and permit the debate to proceed has been waived.

Informal consultations

6. In view of the financial measures affecting conference services, and as indicated in the programme of work, some of the formal meetings allocated to the Second Committee will be utilized for informal consultations so as to ensure full servicing of these consultations.

Report of the Economic and Social Council

7. The Second Committee is reminded that, in accordance with a decision of the General Assembly, chapters of the report of the Economic and Social Council are to be considered in company with documentation under other agenda items, as well as under item 12. The list of documentation contains further information on this procedure (see para. 3 above).

Conclusion of the work of the Committee

8. Bearing in mind the allocation of the number of meetings available to the Second Committee, it is proposed that the Committee set a target date of 27 November for the conclusion of its work.
